

DECLARATION OF CONFORMITY

REACH (Registration, Evaluation, Authorisation, Restriction of Chemicals) Regolamento Europeo 1907/2006

In accordance with the EC Regulation n.1907/2006 (REACH Regulation), Supply Chain actors must identify the presence of "highly problematic" Substances (SVHC) included in the list updated periodically by ECHA (European Chemicals Agency).

Metallurgica Frigerio Spa hereby declares that it is neither a manufacturer nor an importer of chemical substances (as such or components of preparations or articles) considered dangerous or prohibited by the aforementioned directive.

As a supplier, we are required to communicate the presence of the substances included in the list, if they are present in our products in a concentration higher than 0,1% by weight.

We inform you that in the articles supplied by our Company there are NOT "highly problematic" substances (SVHC) present at a concentration >0,1% weight or substances subject to restriction to the use or to the market included in the Annex XVII of the REACH regulation, as amended by the EC Regulation n.552/2009.

We will take care to inform you as soon as the situation changes.

We also confirm that, in accordance with the extension of the REACH directive which came into force on 22 February 2015, all our PVC coated products are exempt from DEHP-DBP-DIBO-DINO (phthalates).
